# ANCIENT MYSTERIES REVEAL THE FUTURE

Many people are deeply troubled by political, social & economic uncertainty, international conflicts, environmental change and the rapid pace at which technology continues to expand. All of this can create feelings of anxiety about the future, which makes it reasonable then to wonder, "What does the future hold?"

Ancient Mysteries invites attendees on the journey of a lifetime. Assisted by multimedia, you will travel to lost civilisations to understand the significance of current global events, which will inevitably shape how the future unfolds. As the series unlocks mysterious predictions found in the Apocalypse, or book of Revelation, you will discover answers to life's most compelling questions: Where did we come from? Why are we here? Is anyone in control? Why is there so much suffering? Is there life after death?

Ancient Mysteries presents irrefutable evidence that some of the most exciting and significant events in history are about to occur. Thousands have attended these engaging presentations and found hope and meaning in life. You are personally invited to this next series. To avoid disappointment, reserve your free seats now.
